DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 9, and 19, although, the prior arts disclose a mobile communication network, comprising: notifying; tracking; and determining the location of unauthorized AP. However, none of them teach generating a tracking data record partially based on information obtained in the tracking step, the tracking record including a location of each of the authorized APs and at least one of (i) a first strength data corresponding to a strength of the tracking beacon as measured by each of the authorized APs and (ii) a first time data corresponding to a time period that it takes for the tracking beacon to arrive at each of the authorized APs; and determining the location of the unauthorized AP as a function of at least one of (i) the tracking record and (ii) a calibrating record, the calibrating record including (a) at least one of a second strength data corresponding to a strength of a calibrating beacon as transmitted from a predetermined location within the communication network and received by each of the authorized APs and a second time data corresponding to a time period that it takes for the calibrating beacon to arrive from the predetermined location to each of the authorized AP, (b) the predetermined location and (c) the location of each of the authorized AP as specifically described in claimed.

Claims 2-8, and 10-17 are allowed as being dependent on independent claims 1 and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
